

Table 3 a. Doctoral students, admitted/registered Spring Semester 20xx/Fall Semester 20xx, entered in Ladok.

| Name | Third-cycle subject | Year of admission ¹⁾ | Current means of support ²⁾ | Degree of activity in third-cycle education during the xxxsemester 20xx (%) | Accumulated activity (%) | Guaranteed total annual supervision time (if any) (% of full-time employment) |
|-----------------------------|---------------------|---------------------------------|--|---|--------------------------|---|
| Example: Doctoral student 1 | History | 2017 | Doctoral student employment | 100 | 700 | |
| Doctoral student 2 | | | | | | |
| Doctoral student 3 | | | | | | |
| Doctoral student 4 | | | | | | |

¹⁾ If you have revised the general syllabus (ASP), mark which doctoral students have not switched over to the new ASP. Do not list doctoral students who were admitted more than 15 years ago.

²⁾ Specify the means of support and the extent. Examples of means of support are: doctoral studentship, doctoral grants, scholarships, employment within the university, municipal doctoral student, externally employed doctoral student, other employment outside the university and other funding. Note that the doctoral student may have two or more means of support during a single semester. In that case, specify these forms of support and the extent of each.
